

My Vote ✓ My Voice

What's Been Happening at Milwaukee Area High Schools?

Senior Send Off

League of Women Voters (LWV) attended the Senior Send Off at North Division to inform students about voting after they leave high school.

Summer Service Learning Workshop

LWV volunteers participated in a Service Learning workshop this summer. The goal was to create a template that civics teachers could adopt in their classrooms. The collaboration between MPS and the LWV is ongoing and the output will be a basic template with a variety of options and ideas.

College and Career Center Staff Training

LWV Volunteers provided an introduction to the High School Voter Education and Registration Project and how voter registration can be integrated into the centers.

National Voter Registration Day 9/26/17

National Voter Registration Day (NVRD) is a national event in which organizations all over the U.S. will register voters. LWV volunteers from the High School Voter Education and Registration Project are making plans for voter registration in MPS high schools to celebrate the day.

Voter Registration is now online in Wisconsin and high schools interested in participating in NVRD can contact the League at lwvmc.hsvoter@gmail.com. The LWV will be offering training for high school students on how to use the online voter registration website (MyVote.wi.gov) to assist

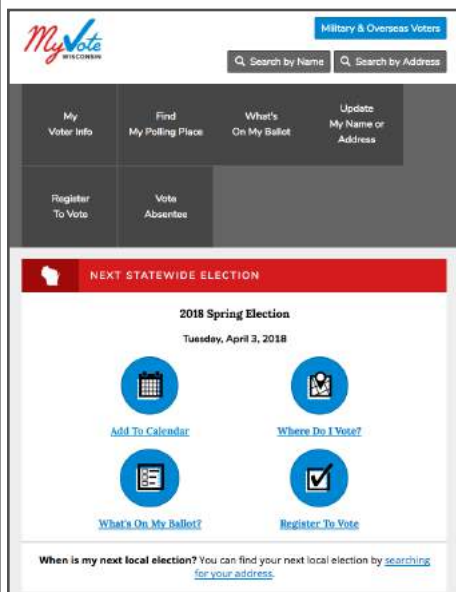

their eligible classmates to register to vote. We have developed student-specific training materials especially for MPS students.

This provides an opportunity for a student council, sports team, civics, or social studies class to be trained on the registration process so that they can participate in NVRD or at other events throughout the year. And, LWV volunteers are always available to support the school registration events and help with any questions or problems.

This would be a great opportunity to introduce the importance of voting and civic engagement to students in grades 9-12. If you would like more information, please contact us at lwwmc.hsvoter@gmail.com.

College and Career Centers

We are excited be partnering with the College and Career Centers in 20 MPS high schools. The College and Career Centers present a great opportunity to meet and engage students in the importance of registration and voting. A “Do-It Yourself Voter Registration Station” will be available to each C&CC center. The staff in each center will be trained by the LWV on how to use the online voter registration website. LWV volunteers will support the effort as needed. For more information, contact the League at lwwmc.hsvoter@gmail.com.
