

SOCIAL POLICY

Administration of Justice: County Jail

- Support a management philosophy of primarily direct supervision in the Milwaukee County Jail. Monitor issues related to overcrowding in the Milwaukee County Jail.

Education: Chapter 220 Position

- Support the right of every person to equal Opportunity for a quality education.
- Support local government and school district efforts to prevent and/or remove discrimination in education and to help communities bring about racial integration of school systems.
- Support Chapter 220 (s121.85 of the Wisconsin Statute), and in efforts to improve Chapter 220, the League also supports modifications to the existing program and/or new programs which better meet the following criteria:
 - Promotion of housing integration
 - Continuing evaluation of program effectiveness
 - Achievement of goals efficiently and economically
 - Improvement in quality of education for all
 - Adequate statewide funding
 - Broad participation of all area school districts, both public and private, and all area governments
 - Involvement of participants in planning and implementation

Education: Vocational Technical (former Wauwatosa Position).

- Support greater emphasis on vocational and technical education at the high school level.

Milwaukee County Department of Parks, Recreation and Culture (MCDPRC)

- Support the MCDPRC as very important to the quality of life of the citizens of Milwaukee County for aesthetic, recreational, educational, social, environmental, and geographical reasons.
- Support that oversight remain an obligation of the County to ensure the services and activities provided by the MCDPRC reflect the changing needs and wishes of the various demographic groups comprising the County population.
- Support a policy of considering all possible forms of funding for the MCDPRC and its many activities, while also taking care to assure that any single method of funding does not infringe on the public trust nor limit public access.
- Support that the MCDPRC consider ways to protect and expand its public parklands to guarantee public access and adequate green space for future generations. The MCDPRC must creatively, effectively, and continually assess park planning as it relates to the community, paying special attention to those geographic and/or social entities that may be underserved.

Housing

- Support fair and affordable housing

Human Services

- Support effective human services through adequate financing, greater citizen participation, program evaluation, and cooperative long-range planning for family-oriented services among the various levels of public and private services.

Health Department (former Wauwatosa Positions)

- Support the public health department as a vital and necessary component of quality of life.
- Support local health departments, when supported by their communities.
- Support particularly environmental services, school nurse program, and educational programs and clinics.

Urban Development (former City of Milwaukee Position).

- Support a practical and well-planned program of urban development with emphasis on adequate financing, expediting, administration and measures to establish equitable compensation, and adequate relocation services for businesses and residents displaced by Milwaukee's "public purpose" programs.
